To the Continuance of the Supervisor and peon previously sanctioned till 30.11.60 A.N. in the G.O. of 22.10.60. As it has been specifically mentioned in the latter G.O (2456 of 12.11.60) that the one supervisor sanctioned therein was in addition to the supervisor sanctioned in G.O. 2263 P.W. of 22.10.60, both the Supervisors are being continued on this presumption. If however, a separate order is considered necessary in respect of the Supervisor referred to necessary action may kindly be taken to have such orders issued as the Continuance of the 2 supervisors is necessary as already reported when the additional staff was applied for.

In G.O., No. MS 2263 P.W.D., dated 22-10-1940, sanction was accorded to the employment of one supervisor and a peon from date of appointment to 30-11-1940 for work relating to Plassey Barracks. It is presumed that the sanction to the special staff accorded in the above G.O. of 12-11-40 also includes sanction to the continuance of the supervisor and peon previously sanctioned till 30-11-1940 A.N. in the G.O.dated 22-10-40 as it has been specifically mentioned in the later G.O. (2456 P.W.D. dated 12-11-40) that the one supervisor sanctioned therein was in addition to the supervisor sanctioned in G.O.,No.2263 P.W.D., dated 22-10-40. Both the supervisors are being continued on this presumption. If however a separate order is considered necessary in respect of the supervisor referred to, necessary action may kindly be taken to have such orders issued, as the continuance of the two supervisors is necessary as already reported when the additional staff was applied for.

for work connected with the Plassey Barracks. Subsequently, in G.O. No. 2456 P.W.D. dated 12-11-40 (X) another Supervisor, among others, was sanctioned for the same work for 3 months i.e. till 11-2-1941 in addition to the Supervisor sanctioned in the former G.O. The C.E. enquires whether the (K) & ICF. period of sanction for the latter Supervisor has also been extended to 11-2-41 in the G.O. at (X). The P.W.D. consider that Cf. Draft memo overleaf it does.

It is respectfully submitted that it is not so. The G.O. at (X) merely sanctions the employment of an additional Supervisor and a peon till 11-2-41 in connection with the repairs to the Plassey Barracks. But this department have admitted that the employment of a staff of two Supervisors (among others) on this work is necessary, to ensure its completion within the stipulated time -- see para 2 on pp.10-11 of G.O. No. 2456 P.W.D. dated 12-11-40. (X) Finance may therefore suggest that orders may now issue sanctioning the continuance of the Supervisor sanctioned in G.O. 2263 P.W. dated 22-10-40 till 11-2-41. In the G.O. referred to above, sanction has been accorded to the continuance till 11th February 1941 of the Supervisor and peon sanctioned in G.O.No.Ms.2263 P.W., dated 22nd October 1940 for the work of effecting repairs to Plassey Barracks. The period of this sanction is evidently fixed at three months reckoned from 12th November 1940 - the date of G.O.No.2456 P.W.D., in which additional establishment (of one Assistant Engineer, one Supervisor etc) was sanctioned for the same work for a period of three months. As this additional staff was employed from 4th December 1940, the period of their sanction (of three months)

months) will expire on 3rd March 1941 afternoon. The continuance of the other supervisor (with his peon) also, may, therefore, be sanctioned upto 3rd March 1941 afternoon instead of only 11th February 1941. Necessary amendment to G.O.No.2886 P.W., dated 23rd December 1940 revising the date accordingly may kindly be issued at an early date.
